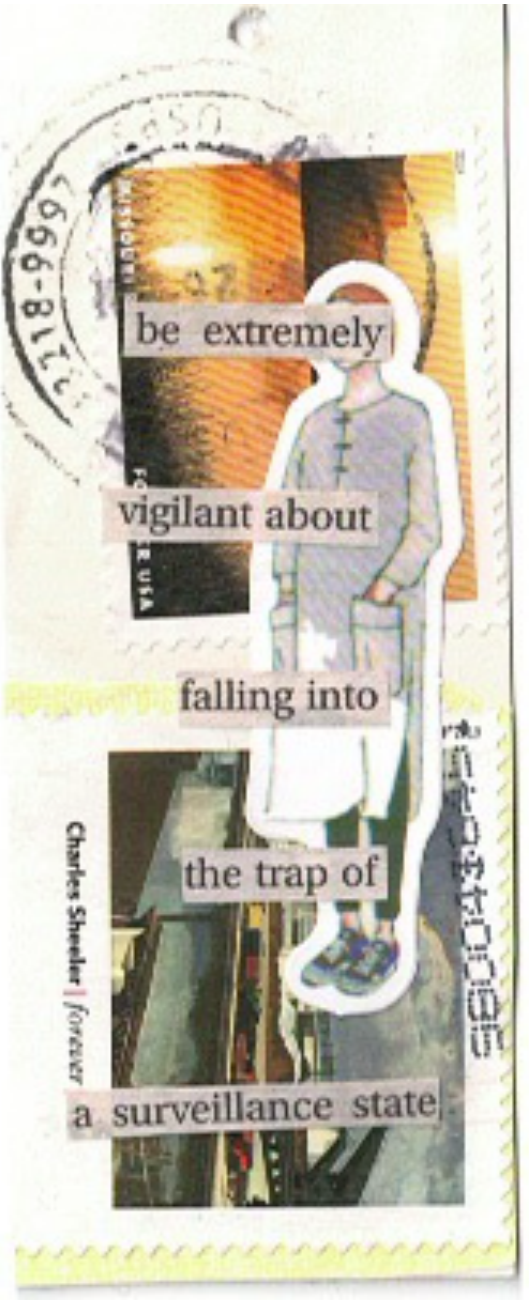
Elsewhere,
carrying
no pity for hearts.
throw
them out into the world and
cross our fingers.



be extremely
vigilant about
falling into
the trap of
a surveillance state
Charles Sheeler | forever

Explore the possibilities...
Find
whatever

As the
world continues
to change,
styles are going
to be really important.

"The
goal is to help people
live better lives,
even if we can't
eliminate pain entirely."

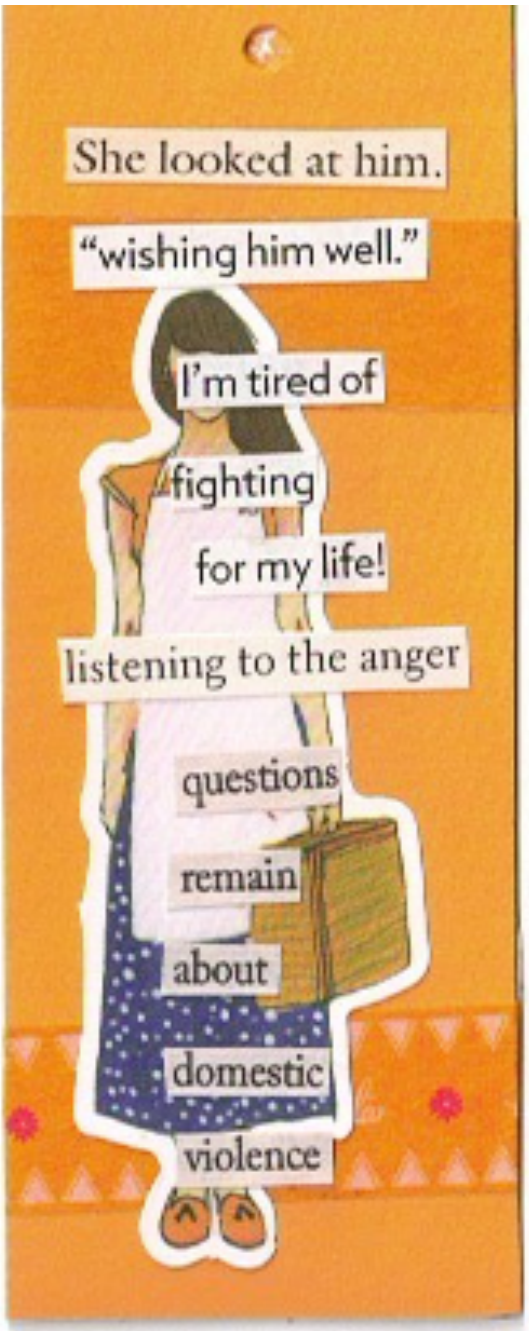
NOTED
I think a lot
There was more to it
than that.
I have found
leisure, and
Schadenfreude

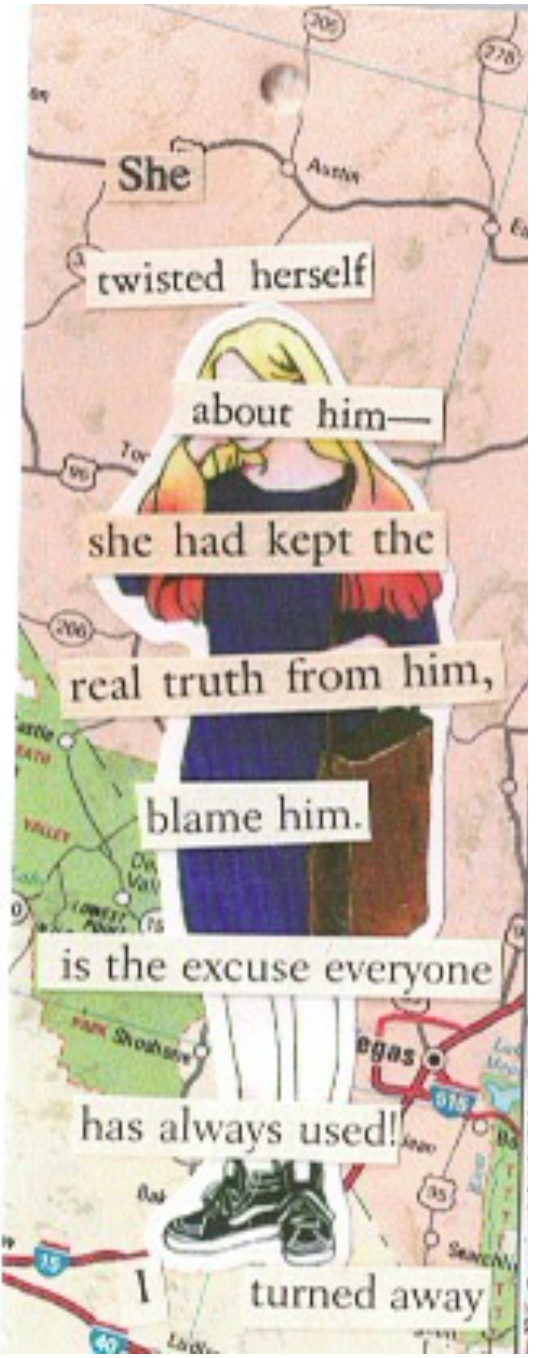
stand there
and elsewhere.
some really good
things have hap-
pened to me while
wearing green socks
Explore the
possibilities...
Look it up.



She looked at him.
"wishing him well."
I'm tired of
fighting
for my life!
listening to the anger
questions
remain
about
domestic
violence

Exit
fled
on my own.
with
quiet,
fear and
childish naiveté

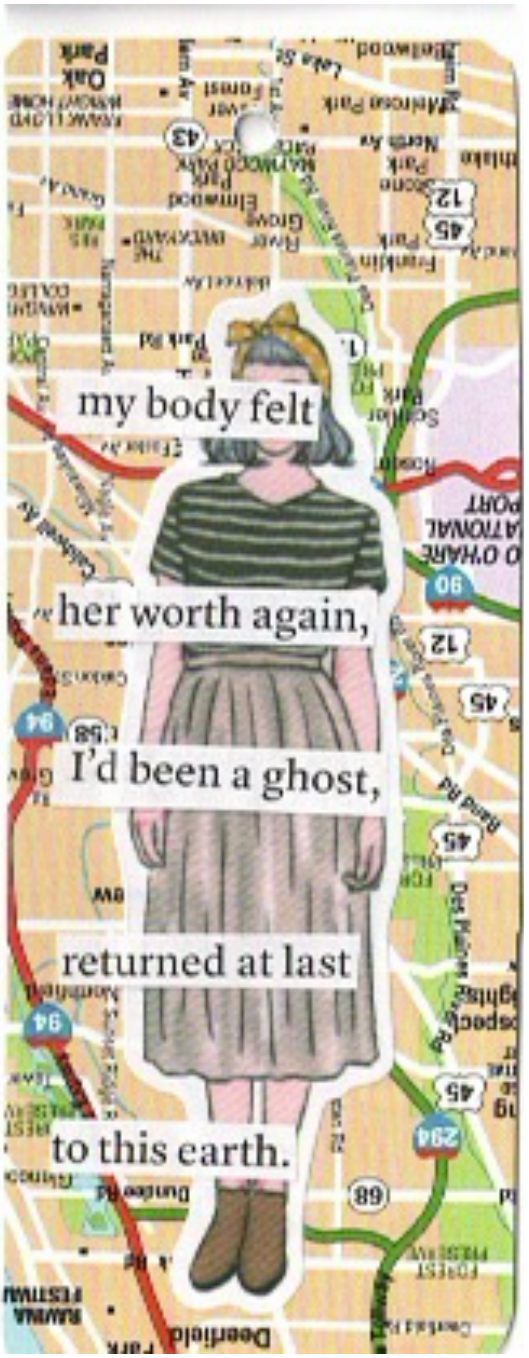
SELF-CARE,
the enduring remedy
can only be
revelling in what it
means to be human.
finding
and enjoying
the world
And we're here for it.



She
twisted herself
about him—
she had kept the
real truth from him,
blame him.
is the excuse everyone
has always used!
I
turned away

WORKIN'
DAY AND NIGHT
shake
free from
the mire of
daily living
And other stuff
You may be done!
I retired

We can't put the genie back
he couldn't trust me
You can't trust
everyone's "nice"
I don't even trust me.



my body felt
her worth again,
I'd been a ghost,
returned at last
to this earth.
